GOODWOOD YOUTH INTERCLUB RACE REPORT SUNDAY 12TH OCTOBER 2008

With 31 youth riders signed in spanning u8-u16 age categories and 3 British Cycling Go-Ride youth development clubs being represented from across the South East competing, it was Glorious at Goodwood, with fantastic weather and great competition.

The event was all organised by VC Jubilee's young volunteer Ben Miller who's just 18, and it was his first promotion, if he can organise the weather again he can organise all future races! The event was a combined Surrey League event, and a South East Go-Ride Interclub Competition. So if you are a youth in another club you'll still get your position overall in the league results, see www.surreyleague.co.uk, so well done to all that took part.

At the 2.4m/3.8km (approx) smooth circuit SE Go-Ride clubs represented were the promoting club VC Jubilee (Brighton Excelsior Youth Development) along with Preston Park Youth Cycling Club, and VC Londres.

Many thanks to Brighton Excelsior CC members and VC Jubilee volunteers for judging, with additional kind help from PPYCC volunteers.

Don't forget the next Youth SE Go-Ride Interclub events are:

November 1st Herne Hill YCC Cyclo-Cross at Herne Hill

November 16th VC Jubilee Cyclo-Cross at Stanmer Park, Brighton, East Sussex

Well done to all the riders!
