Accreditation request (please complete in block capitals)

Surname:		Accreditation procedure: This is to be adopted whereby a record is made of the individual's name, address and club. Professionals should register prior to the event and their identification details should be checked with the issuing authority prior to the event. On registering, promoters of events should consider issuing an identification label on the day, which can serve to highlight those who have accreditation but must ensure that where regular events occur, the identifying label is changed to prevent unofficial replication.
